Taxes and efficiency

Companies seem to dislike the term 'turnaround consulting' because it represents failure. The truth is that turnaround consulting represents success at realizing the company is going in the wrong direction. The only time the company fails is when it is not possible to do a turnaround anymore. We help companies pivot into more profitable directions where they can

expand and grow. It is inevitable that companies will end up making a few mistakes; we help them correct these mistakes.

Consulting WP is a global strategy consulting firm with offices across Europe, the Americas and Asia-Pacific. We counsel our clients on their key strategic issues, leveraging our deep industry expertise and using analytical rigor to help them make informed decisions more quickly and solve their toughest and most critical business problems. The only time the company fails is when it is not possible to do a turnaround anymore. We help companies pivot into more profitable directions where they can expand and grow. It is inevitable that companies will end up making a few mistakes; we help them correct these mistakes.

The effort vastly improved the company's planning and execution functions, created and implemented a new stock policy that accounted for specific SKUs and key variables, streamlined the order preparation process and reduced distribution transport times. We help companies turnaround their non-profitable ventures into something that benefits them. Our specialty lies in understanding what makes a company special and what makes it tick.
